

LVEDC
December 11th
Meeting at IHOP

AL called the meeting to begin.

Was good to see Debbie and Ed, as they are both sick.

Were 26 people present.

Guest speaker was Karl Huggins and did a good job on the Catalina Chamber everyone enjoyed his presentation. Karl is the Program Manager of the USC Catalina Hyperbaric Chamber. He was also the co-inventor of the first commercial dive computer (the Orca Edge), recipient of the 1993 DAN/Rolex Diver of the Year Award and 2008 California Scuba Service Award. He told us about the operation of the chamber and reviewing dive accident analysis.

T Shirt Logo, well this is fun! Dave Bower logo is what the club will go for. Suzy was not present to vote!! (I liked the logo Deb and Ed created). Vote went 4 for Ed, 5 for Bower, 1 for Steven.

Sharkys have a xmas party on the 18th December.

Mike Ritcher talked about his boat and offered the club members to dive local for \$60.

Dave Bower did roll call for the boat trip on the 17th January.

Dave Bower needs to provide logo for the new t shirts by the time of next meeting.

AL thanked all the volunteers that turned out for Lake Perris and helped clean up the lake. Top side crew Mike and Sharol Carter, Cheyenne, Amy, Loretta (Ron's wife) Mike and Henri. Divers Mike Ritcher, Chris Barton, Stephanie, Suzy, Ron and Diana and Joel.

Sharkys up date. He said his web site is up and running,

On raffle, Ron won hat, D Bower won book Al won 50/50 and gave it back to the club. And the \$200 gift voucher for Sharkys was won by Sean Figueroa.

Thanks to Mike Carter for keeping the web site up to date.

The next scheduled Eco Dive as a club 21st Feb. at Catalina Island.

The next meeting will be January 8th 2009.
